Kids Love the Music Machine! Join Us for a Summer of Fun!

The Music Machine Develops Confidence and Life Skills!

Kids involved in the Music Machine programs learn more than music and movement. They are encouraged in a healthy, supportive environment to interact with other children, to develop

teamwork, and to feel a sense of pride in their accomplishments. Many parents continue to enroll their children year after year, as the lessons the kids learn here benefit them in both their academic and social lives.

The Music Machine is fun and provides some important life skills along the way.

Coming again
(we hope) in 2023!

The MINI Music Machine is a summer workshop in creative music and movement for kids ages 3-6. Classes culminate in a studio production for the parents to enjoy. 

The Mini Music Machine will NOT be held this year due to the COVID-19 pandemic. It would be too difficult to follow CDC guidelines with this age group, so our Board has made the decision to NOT offer any Mini Music Machine (ages 3-6) programs this summer.

Look for the Mini Music Machine to return next summer!
