Kids Love the Music Machine! Join Us for a Summer of Fun!

The Music Machine Develops Confidence and Life Skills!

Kids involved in the Music Machine programs learn more than music and movement. They are encouraged in a healthy, supportive environment to interact with other children, to develop

teamwork, and to feel a sense of pride in their accomplishments. Many parents continue to enroll their children year after year, as the lessons the kids learn here benefit them in both their academic and social lives.

The Music Machine is fun, and it provides some important life-skills along the way.
